

## Smartwatch Solutions

# The most extensive smartwatch security portfolio.

Superior protection, a clean and consistent design, and charging capability.

### CONSISTENT AESTHETIC

Streamlined and consistent display placement minimizes visual clutter.

### EASE OF OPERATION

Easy-to-install universal flex sensor minimizes false alarms and improves operational efficiency.

### RELIABLE ALARMING & CHARGING

OEM or Apple charging options to keep smartwatches powered and always ready for customer interaction.

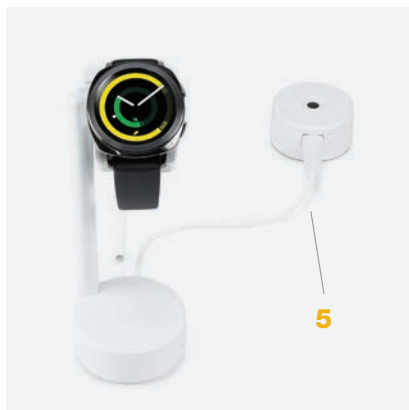

### FEATURES AND BENEFITS

- 1** Integrated alarming eliminates the need for separate alarm unit
- 2** Magnets in both the cradle and band clamp attract for perfect placement
- 3** Anti-slip pad on cradle ensures device stability while on display
- 4** Easy-to-install flex sensors protect both smartwatch head and band, and minimize false alarms
- 5** Recoiler cable exits at top of the stem for an enhanced customer experience
- 6** Two charging options: integrated Apple charging and OEM charging integrated in cradle
- 7** Consistent visual merchandising when displayed with OnePOD

## FEATURES AND BENEFITS

- 1 Two display options available: exposed cord or recoiler
- 2 Magnets in both the cradle and band clamp attract for perfect placement
- 3 Anti-slip pad on cradle ensures device stability while on display
- 4 Easy-to-install flex sensors protect both smartwatch head and band and minimize false alarms
- 5 Compatible with new Zips platform
- 6 Consistent visual merchandising when displayed with OnePOD
- 7 Two charging options: integrated Apple charging and OEM charging integrated in cradle

### FEATURES AND BENEFITS

- 1 OnePOD platform design allows merchandise to be the hero
- 2 Harness bands secure smartwatch to sensor for enhanced security
- 3 Open hoop sensor design encourages customer interaction
- 4 Compatible with One 55, One60 and One65 standard and split level stands
- 5 Clean aesthetics create appealing and consistent storewide visual merchandising
- 6 Compatible with OneKEY ecosystem and Access Manager software
- 7 Integrated charging module for Samsung Galaxy models and OEM charging compatibility for Apple and Samsung Galaxy Active models

### FEATURES AND BENEFITS

- 1** Heavy-duty, all-metal construction delivers a truly secure display solution
- 2** Two (2) mounting stud sizes for scalability and enhanced security
- 3** Undercounter hardware that protects fixtures and countertops
- 4** Four (4) simple screws, inaccessible from tabletop, secure watch frame to stand
- 5** Clean, minimal, low-profile stand complements environment and engages customers, as well as reduces leverage points and theft access
- 6** Three (3) fit-for-purpose harness bands for square or round watch faces
- 7** Integrated OEM power capability for most popular Apple and Samsung watch models

InVue Smartwatch Solutions are part of the exclusive InVue OneKEY ecosystem™, a storewide single key solution that improves customer service, increases sales and provides high theft protection.
